

Voluntary Self Declaration for Saskatchewan High School Rodeo Association Members

In order to provide quality, member-centred bursaries, scholarship and sponsorship opportunities, the Saskatchewan High School Rodeo Association recognizes that we must support a membership that is representative of the communities that we serve.

We are requesting your assistance in our efforts to identify the representation amongst our membership through the **voluntary** completion of a self declaration form.

Although the self declaration is **voluntary**; we encourage declaration because it is the only way for our association to get complete, accurate and up-to date information on the composition of our membership. As a member of the SHSRA, your self declaration will ensure that the SHSRA scholarship chair and sponsorship coordinator actively pursue the bursary, scholarship and sponsorship opportunities that best suit the needs of our membership.

The electronic submission of the voluntary self declaration is deemed equivalent manual submission. As such, the SHSRA member and parent/guardian herein identified, certify that all information provided herein is honest, truthful and accurate to the best of their knowledge. They also certify that supporting documentation of the self declaration is available upon request of the SHSRA Scholarship Chair and Sponsorship & Awards Coordinator for the purposes of awarding self declared bursaries and scholarships.

Please submit your completed Self declaration form to:

**Kimberly Quam
